IN OLDEN TIMES

People overlooked the importance of
permanently beneficial effects and
were satisfied with transient action;
but now that it is known that Syrup
of Figs will permanently overcome
habitual constipation, well-informed
people will not buy other laxatives,
which act for a time, but finally in-
jure the system. Buy the genuine.

JOINED THE BENEDICTS

DR. E. VAN HOOD HAS SUCCEEDED TO
THE INEVITABLE

"Dr. E. Van Hood and wife, of
Florida, are Inglaterra guests. Dr.
Van Hood is a delegate to the Med-
ical Congress and one of the first to
arrive."

The above paragraph is taken
from the Havana Post of January
26. Beyond the notice clipped, we
know nothing. If Dr. Hood has a
wife, the Star has been unable to as-
certain who was the fortunate wo-
man to secure his heart and hand,
but we trust she will be the "sweet
ministering angel" and devoted
helpmeet the Ocala patron saint of
the little ones deserves. When we
know more of this sudden and un-
expected connubial alliance, we will
have more to say about it; but the
impression prevailed unanimously
in Ocala that Dr. Van Hood's
bride was his profession, his love of
suffering humanity the work of his
life and his greatest pleasure and
delight was to do quiet acts of char-
ity and to make all the little ones of
town the happiest mortals on earth
by contributions of sweets.

But, then, Dr. Hood is always do-
ing the unexpected. If he is really
married, we wish him the greatest
happiness, for no man deserves it
more.

ly pure. T. W. TROXLER.

PLAYING GOLF

The town people are beginning to
take hold of golf and are becoming
interested in the game. Almost any
fine afternoon a party can be seen
on the links learning the mysteries
of the game. As many as desire to,
can play on the course at one time,
giving the required space between
the players so that one does not
crowd the other. Every one is en-
thusiastic over the beauties of the
Ocala links and even experts say
there is nothing so good in the
state.

tle cured her cough entirely." Price

A SHOOTING AT STANDARD

ONE MAN FATAALLY AND ANOTHER
SERIOUSLY HURT

A serious shooting scrape oc-
curred at Standard, in the western
part of this county, Saturday night.
The particulars are meager, but as
far as we can learn Elbert Mills,
well known in Ocala, who had been
in town that day, drinking heavily,
returned home and passing the
phosphate mine, where a man by the
name of Smith was employed as a
superintendent, a row was started
we do not know how, in which both
men were seriously shot. It is
thought that Smith will recover, but
Dr. Blitch says that Mills will in all
probability die in a few days.

HUYLER'S CANDIES

W. M. Martin has secured the ag-
ency for Huyler's famous package can-
dies, and has placed a full line of all
sizes and shaped packages on sale at
his cigar and news stand.

PAPERS AND MAGAZINES

The Surprise Store is putting in
a full line of magazines and in a
few days will have all of the late
publications and the leading daily
papers. Call on them for anything
in this line and if not in stock they
will get it for you. Papers or mag-
azines mailed to any address.

ELECTRIC THERMOMETER

J. A. Boyd, of Connor, stopped in
front of our office yesterday, came
in and subscribed for the Star and
told us that he had in his wagon an
improved electric thermometer,
which he was taking out to T. P.
Randall, the orange grower, to be
used as a signal on cold nights. The
thermometer is operated with stor-
age batteries, is attached to the win-
dow pane, and when the mercury
passes the thirtieth notch, a bell be-
gins to ring and keeps it up till the
temperature rises or the instrument
is removed. Thus the occupant of
the room can tell whether his grove
or garden is in danger from the
frost king.

THOUSANDS SENT INTO EXILE

Every year a large number of poor
sufferers whose lungs are sore and rack-
ed with coughs are urged to go to an-
other climate. But this is costly and
not always sure. Don't be an exile
when Dr. King's New Discovery for
Consumption will cure you at home.
It's the most infallible medicine for
Coughs, Colds and all Throat and Lung
diseases on earth. The first dose
brings relief. Astounding cures result
from persistent use. Trial bottles free
at Garrett & Gerig's. Price 50 cents
and \$1.00. Every bottle guaranteed.

B. G. I. GOLF GOODS

A complete line of above goods will
be received in a few days at the
Ocala Music Co.

FOR SALE

A lady's bicycle in good condition
cheap. Address H. Box 911.

Over 100 houses have been erect-
ed at Lakeland during the past two
years, yet there is not a house to
rent in the place.

When threatened by pneumonia
or any other lung trouble, prompt
relief is necessary, as it is danger-
ous to delay. We would suggest that
One Minute Cough Cure be
taken as soon as indications of hav-
ing taken cold are noticed. It cures
quickly and its early use prevents
consumption. Anti-Monopoly
Drugstore.
